

Passionate about Athlete Management, Sports Media, Infrastructure Design, and Club Analysis.

I am available →

I AM Anish Bhandari

About

I'm a dedicated professional with a unique blend of experience in civil engineering and sports consultancy. I've worked on sports infrastructure projects, represented athletes, led sports agencies, and contributed to club analysis and media strategy. Currently, I serve as the CEO and Co-Founder of Athlete's Media & Management, where I focus on elevating athletes' careers both on and off the field.
